# FREE Computer Literacy Class

## Participants will learn:

- How to use the internet to search for news, music and recipes
- Where to find important health information online
- Tips to improve cyber safety and security

## How the program works:

- Participants join a weekly class on Thursdays at 10:30 am
- The program runs for 6 weeks starting on October 28
- Classes will be online so a computer and internet connection are required\*

To learn more and register for the class, contact Osamah at [osamah@apnlc.org](mailto:osamah@apnlc.org)

\*APNLC may be able to connect participants with a laptop so they can participate in the program
