**5. EXECUTIVE DIRECTOR'S REPORT**

Thanks for joining us everyone online and in person.

We hit the ground running, it's been busy already. You'll see the hard work, brilliance, and creativity of staff in the presentation later. I want to start off by thanking all the staff and volunteers, including the board, for all the work that they do to make this happen.

At the last meeting we talked about the things we are going to be working on. Continuing to improve our core services is key. Getting back to where we were in 2019 is the goal. Hoping that we can tighten up on some of the things that we forgot to do or don't do anymore. You can expect many of these services to be elevated and improved; these include:

- Settlement Services
- Entrepreneurship Services
- Programs for People Living with Disabilities
- Seniors Programming
- Youth Programming
- Childrens' Programming
- Early On programming
- Parent Programming

This is the year we launch our strategic plan. We are having great conversations about strategic planning with development, and will do this with or without funding. I hope to have more information at the next meeting.

Conversations are happening about the redevelopment of the site. The Board Executive, Herman and Rebecca are informed; as soon as we get the go-ahead to share with the Board, we will do that – then there will be more of us who can't share.

We will be doing some training as a Board. Either early this quarter or next there will be an opportunity for some training. Staff will be doing more training this year as well.

There will be work on the building for the AODA. There will be upgrades to doors; we are putting \$100,000 in from a grant. The City will be doing about \$2 million in general upgrades.

I want us to have more opportunities for community gatherings.

Coming up, worth noting: NHL all-stars will be at the Youth Lounge, with big presentations, Wendell Clark will be there. As a result of this partnership, the Youth Lounge has been totally renovated, with new floors, walls, lighting, TVs, tables, chairs - it's amazing. We now have another space for our programs.

Another development is that the Mayor may come to Scadding Court for Lunar New Year. As a Board, you are welcome to come, it's Feb 9<sup>th</sup>, lunch at 12pm.

On Feb 15<sup>th</sup> will be Kevin Lee Day, an open house feel for the general community between 3:30pm-6:30pm, then a by-invitation dinner at Dim Sum King for friends and family. The details are coming

together, it would be great if for those of you who remember Kevin can come out so we can make arrangements. Please RSVP to Rebecca.

## **6. FINANCE REPORT**

Herman Ellis Jr reported.

At the beginning of the year, we need to speak to the budget for the organization. It helps us throughout the year. It may change, but there will be zero bottom line for the Board of Management. It's simple by nature: salaries, office supplies.

A motion was moved to accept the BoM Budget for 2024.
